

Resource Teacher

JOB DESCRIPTION: The Sandia Mountain Natural History Center (SMNHC) is a year-round environmental education resource located in the Sandia Mountains, near Cedar Crest, NM, outside of Albuquerque. Annually, the educators of the SMNHC serve 17,000+ students and teachers. Programs include the full-day hands-on Ecology Field Program, teacher workshops, and classroom presentations around Albuquerque. The SMNHC is run by the New Mexico Museum of Natural History and Science (NMMNHS) and is owned by Albuquerque Public Schools.
